Program Policy:

The Experiential Program requires you to attend both Part One and Part Two in the same year. Spring and Fall four day workshops each.

The Correspondence Program (ONLY) requires you to complete this program in one year from your sign up date.

For those who are taking both programs, it is required that you take the Experiential Program in the same year, however you have an additional year to complete the Correspondence Program. Dates are based upon the original date you signed up with the Program.
